

Haywards Heath & District 2025 AGM

Dear Member,

The 35th Haywards Heath & District u3a AGM will take place at 10am on Thursday 9th October at the Cuckfield Baptist Church

Please find enclosed the agenda, the annual accounts and the minutes of the 2024 AGM along with a proxy voting form.

Our Constitution requires that a quorum of a minimum of 10% of the membership be present for the AGM to be valid. As our present membership is a little under 1,000, it follows that there will need to be approximately 100 members present.

If, for any reason you will not be attending the AGM in person, it would be a great help if you could fill in the attached proxy voting form as this will count towards the required quorum number.

Please return the signed proxy voting form to:

Paul Roberts
82 Ashenground Road
Haywards Heath
RH16 4QB

You can also complete and send an electronic proxy voting form which you can find on our website <https://haywards-heath.u3asite.uk>

PTO

Following the AGM formalities, Carole Andrews will be giving a talk entitled 'The Piltdown Man' when all will be revealed about this fascinating subject.

Also, some HH u3a archive material will be on display,

Thankyou,

Paul Roberts
