Summer Social

Although the mercury was a little higher than some of us would have liked, over 90 members attended our Thursday 25th June Summer Social.

The catering was excellent as was the speaker, and it was so nice to sit around a table and socialise with ones fellow members. Many thanks must be expressed to Mary Richard, Amanda Trevitt, Marilyn Bradley, Kevin Laue and Jen, the Baptist Church secretary for all their hard work in making it such a success.

Summer Concert

As you know, our Summer Concert had to be cancelled because of the excessive heat during the day.

Unfortunately it wasn't possible to rearrange it for later in the year so make sure that you keep **Saturday 5th December** free for our Christmas concert.

Rummicub

Following the sad death of Helen Dunlop, Penny Langley has kindly agreed to lead the Rummicub group. They meet on the 4th Monday of each month from 2 - 4pm in the Presentation Church Hall and they are looking for more members.

For more information contact Penny on: pennylangley777@gmail.com

RUGs Volunteers

RUG leader Amanda Trevitt is keen to hear from anyone who might be interested in joining this illustrious band of volunteers who are ready to turn their hand to anything that may be required to ensure that our various enterprises run smoothly.

You can contact Amanda on: amandatrevitt1@hotmail.co.uk

Exploring London 4

E.L .4 leader Mike Fawcett writes that on 19th June a group of 11 from Exploring London 4, braved the heat and went canal boating.

They picked up the boat at the London Canal Museum and headed off to Victoria Park. Originally the plan was to go to Little Venice, but someone had kindly wrecked a lock gate, blocking the canal. So they had to turn left instead of right! (this has nothing to do with politics!)

A museum volunteer gave them a commentary on the way down, and allowed them to either help with the locks or even steer the boat.

After a break in the park, they headed back having been fortified with a cream tea. It had been a very enjoyable way of spending a hot afternoon. A second group will be heading down shortly and hopefully the busted gate will be fixed, and they can see what the rest of the canal has to offer.

Film Club

This is a proposed new group.

The idea is that individual members would use the Methodist Church upper room TV using YouTube to show short trailers of their 5 favourite films. They would explain why they chose those particular films which would, hopefully, start a general discussion about particular actors, directors, storylines etc.

If this sounds like a group you might be interested in not just joining - but leading! let Groups Coordinator Mike Fawcett know hhu3agroups@gmail.com
