6. Chairman's Address

PM said that it gave him great pleasure to present his Chairman's report on behalf of HH u3a's Committee.

It has been a very successful year thanks to the dedication of our volunteers and the enthusiasm of our members.

Our membership has remained strong and reasonably constant at around 950. This stability reflects the continuing activity and sense of community within HH u3a.

Our wide range of interest groups is continuing to be the life-blood of our organisation. Many groups have flourished while other have adapted to changes in demand. Several new groups have been formed during the year broadening the scope of opportunity afforded to our members. Group leaders continue to give freely of their time and energy.

Our monthly meetings, mainly at the Methodist Church, are a highlight, enabling members to gather together and enjoy talks on a wide range of topics. . Speakers this year have been engaging and varied, and the opportunity to socialise before and after meetings continues to be greatly valued.

PM said that the ones that stick in his memory is the talk about the Knepp Widening Project and the Land Army talk.

Our outings programme has once again proved popular, with trips to places of cultural, historical, and social interest. These events, alongside occasional social gatherings, strengthen the friendships and camaraderie which are such a vital part of the u3a experience.

Major changes have been made to our use of electronic communications with a new website and increasing use of on-line forms. Our website attract around 500 visitors per month and is the platform on which members will get the most up-to-date information. The Groups Information Booklet is out-of-date almost from the moment that it's printed. PR's e-bulletins continue to provide up-to-date information for members. PM would like to thank our communications team for their work in keeping everyone connected and informed.

Our finances remain sound, with income and expenditure carefully managed. The subscription level has enabled us to cover our costs while maintaining reserves at a responsible level. We now have a card-reader device which is available to anyone who wishes to use it, as cash and cheques seem to dying.

PM said that it was interesting to note that 674 of our members elected to pay their membership renewal fee by BACS. There is no intention to raise the enrolment fee above the current £15 for the coming year.

Over the past year, there have been a few changes to the committee and PM wished to thank two people in particular – Carole Andrews, who has passed on her role as Social Secretary to MR and Susanne Roberts who has retired from her position as Membership Secretary, passing it over to KD.

Susanne joined the committee in October 2016, firstly becoming Refreshments Organiser before becoming Groups Co-Ordinator and then taking on the mantle of Membership Secretary in November 2019, never having missed a single committee meeting. In recognition of her years of service to HHu3a Susanne has been awarded 'Life Membership' Thanks also to David Gee who has passed the baton of Groups Co-Ordinator to MF.

PM wished to place on record his gratitude to the committee, group convenors, and all the volunteers who make our u3a possible. Without their commitment, energy, and imagination, none of our activities would take place.

The year ahead will bring opportunities and challenges. We will continue to look for ways to broaden our appeal, welcome new members, and encourage more to step forward as volunteers and group leaders. With nearly 1,000 members, our u3a remains a vibrant and thriving organisation.

Finally, PM thanked all our members for their support and participation.

He then reiterated our continued problem with finding group leaders, convenors and committee members.

9. Comments from the floor

The fact that members present weren't asked to 'sign in' was raised. PR replied that, apart from forgetting, it was numbers that mattered not individual names.

PM asked if anyone would be prepared to take on the task of decorating our Christmas tree for the Cuckfield Christmas Tree festival.

Mary Richard & Marilyn Bradley have accepted this responsibility for a number of years and would like to hand it over.

There being no further business, the meeting closed at 10.20 and was followed by a talk from Carole Andrews entitled 'The Piltdown Man'
