

Haywards Heath & District 2024 AGM

Dear Member,

The 36th Haywards Heath & District u3a AGM will take place at 2pm on Friday 2nd October at the HH Methodist Church.

The agenda, the annual accounts and the minutes of the 2025 GM along with a proxy voting form can all be found [here](#).

Our Constitution requires that a quorum of a minimum of 10% of the membership be present for the AGM to be valid. As our present membership is a little over 1,000, it follows that there will need to be approximately 100 members present.

If, for any reason you will not be attending the AGM in person, it would be a great help if you could fill in the proxy voting form as this will count towards the required quorum.

Following the AGM formalities, a speaker from the Co-Op Legal Service team will be giving a talk entitled 'Tax, Care & Toy Boys' which will be about protecting your home and savings, inheritance tax, sideways disinheritance & blended families.

Thankyou,

Paul Roberts

HH u3a Hon. Secretary
